Space is limited! Only 20 spots available!

Despite the divorce you are both still parents to your child(ren) and your child(ren) need both of you! This workshop offers strategies, techniques, and ideas of how to work together as parents to your child(ren). Learn how to identify when your old, marital issues are creeping into parenting issues. Learn techniques on how to work as "colleagues" when talking to your child(ren)'s other parent. Learn to recognize your triggers and how to disengage from hostile or non-productive communications with your child(ren)'s other parent. Practical, easy, and simple strategies to be cooperative parents! It is not necessary for both parents to attend the same workshop.

**\$30/person**

**Bring-a-friend discounts ★ Free Product Drawing for attendees**
