

Love and Logic® Parenting Workshops

Love and Logic® is a parenting philosophy with easy to use techniques that work with kids of any age! ♥Tired of arguing with your kids? ♥Want to have more fun parenting? ♥Having trouble getting kids to do homework and chores? ♥Want to know some tricks to reducing the backtalk? ♥Want to know how to get your kids to listen? ♥Need some strategies for temper-tantrums (even the teenage kind!) or whining? ♥Learn effective communication that works! ♥Love and Logic® techniques help increase the odds of raising responsible, productive, happy children and prepare kids for the real world. These 2 hour workshops are great ways to kick-start or “reboot” your parenting! Entertaining and informational!
